## SEVEN INJURED IN AREA ROAD MISHAPS

**FRIENDS GROUP ELECTS OFFICERS**—A Salem man and a former resident of this city were named officers of the Men's Missionary Movement of the Ohio Yearly Meeting of Friends for the 1954-55 fiscal year at the annual convention held here over the weekend.

Shown above (l. to r.) are Clarence Townsend of Salem, vice president; Gordon Allen of Cleveland, formerly of Salem, president; Walter Rieder of Cleveland, retiring president; and Virgil Hemminger of Cleveland, re-elected secretary treasurer.

### Salem, Cleveland Men Named Friends Missionary Officers

One Salem and two Cleveland laymen will guide the activities of the Men's Missionary Movement of the Ohio Yearly Meeting of Friends for the 1954-55 fiscal year.

They are Gordon Allen of Cleveland, formerly of Salem, who was

elected president at the seventh annual convention which closed Sunday afternoon at the First Friends Church, and Clarence Townsend of the Salem church, named vice president. Virgil Hemminger of Cleveland was re-elected secretary treasurer. Walter Rieder of Cleveland is the retiring president.

Mr. Allen, superintendent of the First Friends Bible School for three years, is a former salesman for the Deming Co. He is now affiliated with a Cleveland pump company as a co-partner. Mr. Townsend is president of the local Men's Missionary Movement. Active in church work, he is a member of the Quaker Tones Quartet. He is employed in the Deming Co. office.

More than 200 men from Friends churches in Ohio, Virginia and Michigan were here for the convention. Large crowds were attracted to two services Sunday at which Dr. Robert A. Cook of Chicago, president of Youth for Christ International, gave messages. At the closing service, recordings made by missionaries and native workers at the Friends mission in Central India were given. Included was a talk by Dr. Everett Cattell, mission head, who is a former Alliance resident. Mr. Hemminger read a letter from Rev. Charles Matti, missionary in Formosa.

Dr. Walter R. Williams of Damascus, general superintendent of the Yearly Meeting, and Rev. Robert E. Mosher, pastor of the Damascus Friends Church, who directs men's missionary education in the Yearly Meeting, had part in the sessions.

Approximately 215 men attended the Saturday night banquet held in the Memorial Building, with Waldo Yeager of Toledo, president of the Cortland Produce Company, guest speaker. Mr. Yeager used for his topic, "Each Man A Missionary," which was the convention theme.

The organization has a membership of 500 and its goal for the coming year is 1,000. The group has an invitation to Michigan for its 1955 convention.

Kenneth Phillips of Damascus directed the convention music and provided solo numbers. Jerry Renkenberger was the convention organist.

### Stevens Swears Army Started Hearing Charges

Says No Higher Ups Had Directed Move; Hearings Resume

WASHINGTON (AP)—Secretary of the Army Stevens testified under oath today that the Army's actions in its boiling dispute with Sen. McCarthy (R-Wis.) and his staff were the decisions of the Army "alone."

Stevens repeated from the witness chair of the McCarthy-Army hearings a statement he gave to the press last week while the hearings had been halted temporarily.

The statement declared the Army's decisions were completely the Army's responsibility and were not made on "orders from anyone."

The purpose of the statement was to try to lay at rest the question of whether "higher ups" in the Eisenhower Administration had been directing the Army's moves.

Sen. McCarthy had raised that question.

As the hearings resumed after a week's recess, Chairman Mundt (R-SD) said McCarthy and his

### Pedestrian Hurt In One Of Four City Mishaps

A pedestrian was hospitalized and a motorist received minor cuts in two of the four auto mishaps in the city over the weekend.

In fair condition at Salem City Hospital today is Ralph Hilliard, 48, of Salem House. Hilliard suffered lacerations of both legs and a possible broken foot when struck by a car in the lot back of the Black Horse Tavern on W. State St. at 4:05 p.m. Saturday.

Police said Hilliard, believed to have been intoxicated, walked behind a car driven by Wilbur Jacob Goetz, 46, of 436 Perry St. in the parking lot. The car moved only four feet, police said.

An employee at the tavern said Hilliard had been there a few minutes before the mishap and was refused a drink.

Goetz was not held. William Van Valkenburg, of 173 W. 5th St. received cuts on the forehead in a three-car accident on E. State St., east of N. Lincoln Ave. at 8:10 p.m. Saturday.

Police said Von Valkenburg, driving east on E. State struck a parked car owned by Jack Myer, 21, of Minerva and shoved it into another parked car. Van Valkenburg told police his brakes failed and he swerved into the cars to avoid hitting a truck in front of him.

He was cited by police on a reckless driving charge and fined \$15 and costs by Mayor Dean B. Cramer.

Two hit-skip mishaps were reported to police over the weekend. Earl Ziegler, 27, of Akron told police someone ran into the right side of his car while it was parked in the lot off Jogan Alley about 6 a.m. Sunday damaging the right side.

Robert G. Wilkinson, 24, of Damascus reported someone scraped the side of his auto while it was parked on S. Ellsworth Ave., south of Columbia St. between 7 a.m. and 5:30 p.m. Friday. Police estimated about \$50 damage was done.

### Reds Seek Full Surrender Of West In Asia; U.S. Losing Propaganda War, Friends There

(Editor's note: William L. Ryan spent six weeks in Southeast Asia, traveling to Indochina and the nearby countries endangered by a Communist sweep southward. He then went to Geneva to check his findings at the Geneva conference. This is the first of four articles this week on the prospects in "The Battle for Asia.")

AP Foreign News Analyst GENEVA (AP)—There is not the slightest indication at the Geneva conference that the Communists will accept anything but surrender of the West in Asia.

Apparently, they are sure communism is on a victorious march,

with the decisive battle for Vietnam all but behind them. The Russians are calling the tune here, even preparing the speeches of the Communist Vietnamese representatives in the Russian language.

After a month of talk, there seems no prospect of anything but obstruction and deadlock. The Russians exclude the confidence that they hold the trump cards.

Communism is relying heavily on a drive to turn Asian nationalism and Asian fears into potent weapons against the West in a long-term struggle for domination of a continent.

U. S. Losing Battles

The United States has been losing battles in this propaganda war,

though it has not yet, by any means, lost the war. Asian distrust of the West, after a century of colonial domination, is being twisted and turned against the United States in a political-psychological offensive designed to win cheap victories.

The Communists are not concerned with masses now. This war is for the intellectuals, the educated layer of Asians from whose ranks come the raw materials for government and leadership.

America Losing Friends

In those ranks, America has been losing friends. They are not going over to the Communist side, but

**SIX INJURED IN CRASH**—Richard T. Mason, an official of the R. Thomas & Sons Pottery Co. of Lisbon, his wife and baby son and three Salem area residents were injured early Sunday morning in an auto-station wagon crash at the intersection of Route 538 and the Leetonia-Lisbon Road, two miles south of Leetonia.

### Seek Quick End To Segregation

Negroes Move To Force Board Action

ATLANTA (AP)—Negro leaders throughout the South will petition local boards of education to eliminate school segregation immediately in the first mass follow-up of the U. S. Supreme Court ruling on segregation.

That strategy was disclosed yesterday after a conference here of leaders of the National Assn. for the Advancement of Colored People from 18 states.

Issuing an "Atlanta declaration," the NAACP officials called for integration at all school levels and advocated Negro teacher assignments and federal aid for education.

Thurgood Marshall, special legal counsel for the NAACP, and Walter White, executive secretary, were the chief spokesmen in a news conference after the closed meetings.

Marshall, who represented the organization in the Supreme Court arguments, said there would not be "time for imaginary problems" in ending school segregation. He did not estimate how long it would take, however.

He warned against juggling school districts to evade the court ruling, although he said he recognizes the right of school boards to set up district lines.

The NAACP will take up the subject of segregation in other fields when it meets in Dallas next month, Marshall said.

White assailed three critics of the Supreme Court—Gov. Herman Talmadge of Georgia, Gov. James F. Byrnes of South Carolina and Sen. Richard B. Russell (D-Ga.). He described Talmadge and Byrnes as "the most pathetic figures in American life today," in their frustration and bitterness. "Both governors are shaping plans to evade the court ruling."

White made this comment in speaking of Russell: "Frightened by the possibility that Herman Talmadge might run against him

### Blind, Deaf Man College Valedictorian

ALLIANCE —Richard Kinney of East Sparta, the third blind and deaf student in the nation ever to graduate from any college, will be valedictorian of the June graduation class at Mount Union College.

He will speak at the annual recognition chapel exercises Wednesday on the campus.

The son of Mr. and Mrs. Hobart Kinney, Richard entered Mount Union in September, 1942, although he had been blind since he was seven years old. He then lost his hearing and dropped out of school in January, 1944. He re-entered Mount Union in September, 1951, and will receive a Bachelor of Arts degree, with a major in English and minors in history and psychology. Kinney completed his work in January.

The salutatorian of the 1954 class will be Beverly Neff of Youngstown, who also completed her work at the college in January. She is now teaching in the Youngstown schools. The daughter of Mr. Lester E. Neff, she has been very active in school activities.

### Service Groups Set 'Poppy Day' Saturday

Members of the American Legion Auxiliary and Veterans of Foreign Wars groups have agreed to combine their "Poppy Day" activities, with members from both organizations selling flowers Saturday on downtown streets.

Mr. and Mrs. James Rhodes head the poppy day committees for the V.F.W. and auxiliary, and Mrs. William Needham, Mrs. William Sheen and Mrs. Frederick Barckhoff Jr. will be in charge of the Legion Auxiliary sale. Both organizations will prepare breakfast or lunch for the "salesmen."

### Farm Program Deadlock Seen

Flexible Supports Would Take Effect

WASHINGTON (AP)—Sen. Knowland (R-Calif.) said today there is a "possibility" that Congress will deadlock over farm legislation and thus let flexible price supports go into effect under existing law.

Knowland, said in an interview he doesn't know what is going to happen in the controversy which has found many Democrats and some Republicans lined up behind proposals to continue price props on major field crops at 90 per cent of parity.

But he said "It certainly is a possibility" that the two houses of Congress will fail to agree on a farm bill.

President Eisenhower has urged abandonment of the present system of mandatory price supports on basic field crops at 90 per cent of parity and its replacement by a system of flexible price supports ranging from 75 to 90 per cent of parity. Parity is a standard for measuring farm prices set by law to give farmers a fair return in relation to prices they pay for things they buy.

### Postponed System

Congress in 1948 and 1949 put on the books a flexible support system, although not in the form the Eisenhower administration has recommended. But it has postponed its effective date from year to year, continuing the rigid 90 per cent props first provided in wartime to stimulate production.

The 90 per cent supports now are slated to expire at the end of the 1954 crop year, and failure of Congress to pass new legislation would permit the flexible plan now on the books to go into effect.

Eisenhower recommended that, to ease the impact of a change to flexible supports, up to 2½ billion dollars worth of crops the government now holds be "frozen" and ignored in figuring support levels. This provision is not included in the 1948-49 legislation.

Chairman Aiken (R-Vt.) of the Senate Agriculture Committee said over the weekend he agrees "there's a possibility we might not do anything." But Rep. Hope (R-Kan.), chairman of the companion

### R. Thomas Pottery Co. Official, 5 Others Hurt In Crash Near Leetonia

Six area people were injured in one of the six traffic mishaps on county highways investigated by State Highway Patrolmen over the weekend.

In fair condition in Salem City Hospital today are Mr. and Mrs.

Richard T. Mason and their four-month-old son, Albert, of 297 W. Chestnut St., Lisbon.

Mason is the production and traffic manager of the R. Thomas and Sons Pottery of Lisbon.

Mason, 51, received fractured ribs, a fractured left leg, concussion and multiple contusions and abrasions of the face and arms.

His wife, Bernice, 36, sustained a compound fracture of the right leg, fractured left leg, concussion and contusion of the right eye.

**Receives Fractured Skull**

Their son, Albert, received a fractured skull, internal injuries and a fractured right leg.

Also injured was the driver of the other vehicle, James V. Cook, 32, of RD 4, Salem, who sustained a broken left arm and lacerations of the face. He was treated at the hospital and released.

Cook's wife, Florence, 32, received a fractured left collarbone and a lacerated forehead; their three-year-old daughter, Pamela, sustained a concussion, lacerated right eye and upper lip. The mother and child are in fair condition at the hospital.

The two-car collision occurred at the intersection of Route 538 and the Leetonia - Lisbon Rd. at 12:20 a.m. Sunday. Both families were heading toward their homes. Mason had been visiting friends in Leetonia.

**Failed To Stop**

Patrolmen of the Salem barracks said the station wagon driven by Cook failed to stop at the intersection and crashed into the side of the Mason car. Mason was southbound on the country road and Cook was traveling west on Route 538.

Cook was cited by patrolmen for failing to obey the stop sign. Both vehicles were badly damaged.

A 57-year-old Pennsylvania woman was injured in another of the six mishaps over the weekend.

Taken to Youngstown's South Side Hospital with a severed foot after an auto-truck collision at the Route 62 and 367 intersection, southwest of Canfield, at 12:30 p.m. Saturday was Josephine Wiltanger of Oil City, Pa.

The victim was a passenger in a car driven by Frank Olszowska, 60, of Oil City.

### East Palestine Girl Wins Road-to Event

An East Palestine High School girl was rated the best driver from a field of 28 contestants and her school won the trophy for the second year at the annual Road-to Saturday afternoon at the Lisbon Fairgrounds.

Mary McCowin chalked up a low total of 135 to win the girls' division, and edging the top-ranked boy, Franklin Gall of Lisbon, by six points.

Four contestants each from seven county high schools teaching driver training took part in the event sponsored by the East Liverpool Automobile Club, with the Salem Junior Chamber of Commerce cooperating.

Joe Sieffke of Lisbon (147) was second in the boys' division, and Robert Maurer of Columbiana (149) was third.

Marie Pallis of East Liverpool, with 231, was runner-up in the girls' class and Frances Ziegler of Salem, with 267, was third.

In team ranking, Lisbon (987) ranked second to East Palestine (848). East Liverpool was third with 988.

Other schools in order were Columbiana, fourth; Salem, fifth; West Waterford, sixth; and Leetonia, seventh.

The other Salem pupils competing were Ernest Bannar, 180; Marilyn Parker, 316; and Glenn Thomas, 363.

Gall and Miss McCowin are eligible for competition in the state Road-to to be held June 26 at Lancaster.

Rogers' talk will be on newspaper management.

### Churchill Calls Cabinet To Air Crisis In Asia

Ministers To Hear Eden's Report On Geneva Conference

LONDON (AP)—Prime Minister Churchill called a morning session of his Cabinet today to hear a report from Foreign Secretary Anthony Eden on the Geneva conference and urgently review British policy in Southeast Asia.

The question of united Western action in Indochina should the Geneva talks fail was one of the top subjects. But informed sources said the entire British position in the Far East crisis was under examination.

### Flew From Geneva

Eden flew in from Geneva Saturday night and spent the weekend conferring with Churchill at Chequers, the Prime Minister's official country home.

The foreign secretary was due back in Geneva to act as chairman at a secret parley on Indochina at a secret parley on Indochina this afternoon but prolonged his stay until the last possible moment to talk to his fellow ministers.

**Waiting On Conference**

Until now Britain's policy has been to give the Geneva talks every chance to produce an Indochina solution before turning to other ways to halt the Red sweep in Indochina. Churchill told Commons last week this country would undertake "no new commitments before results at Geneva are known."

As the Geneva talks are prolonged, however, the British face the question of whether they should set a time limit on their "wait and see" policy. The longer the conference lasts, the greater advantages accrue to the Communists.

### See No Change

Most British newspapers predicted there would be no immediate change in the government's policy. Diplomatic writers also generally agreed Churchill and the Cabinet would leave it up to Eden to determine how long he will continue to take part in the talks if they seem likely to prove fruitless.

The United States already has made it clear to Britain and France she is ready to end the talks at any time. The American delegation reportedly feel the Communists are stalling for time while they push preparations for a new offensive in the vital Red River delta area of north Indochina.

## Legal Knots Tie Up Slaying Case

Insufficient Evidence Seen Against Ohioan

FRANKFURT, Germany (AP)—Legal roadblocks stalled action today in the 1946 ax-arson slayings of three American Army officers in Germany.

U.S. Chief Prosecutor Thomas L. Leland announced the present evidence was not legally sufficient to ask the extradition of James M. Leech of Lima, Ohio, a former Army captain.

Leech was accused last Friday by Leland's deputy of the savage murder of the three officers, Jan. 7, 1946, at Passau, Germany.

Leech has denied the killings. Informed in Lima of Leland's announcement, the Ohioan told a newsman:

"All I know about this is what has been supplied me by the newspapers. I have nothing official on this latest move. When the final decision is reached, I'll still be here."

Leech faces three charges of

murder, three of intentional manslaughter and one of arson in the deaths of Maj. Everett S. Confran of Washington, D.C.; Capt. Adrian L. Wessler, of New Rochelle, N.Y.; and 1st Lt. Stanley M. Rosewater of Omaha, Neb. The charges were filed by Deputy U.S. Prosecutor William Canfield, of Hampden, Mass., after the Army had turned over the files of the case to U.S. High Commission legal authorities a few weeks ago.

Canfield had indicated he intended to go ahead with a request for extradition of Leech but Leland stepped into the case and stopped him.

In a statement last night, Leland declared the evidence "is not in its present form legally sufficient" for such a request. The chief prosecutor said his office apparently would not be able to forward the case to the U.S. high commissioner for at least three weeks.

He said gathering evidence required for extradition, its evaluation and preparations to meet legal requisites will take that long.

"For example, all statements of pertinent witnesses must have been made under oath before they are acceptable in an extradition hearing in U.S. federal courts," Leland said.

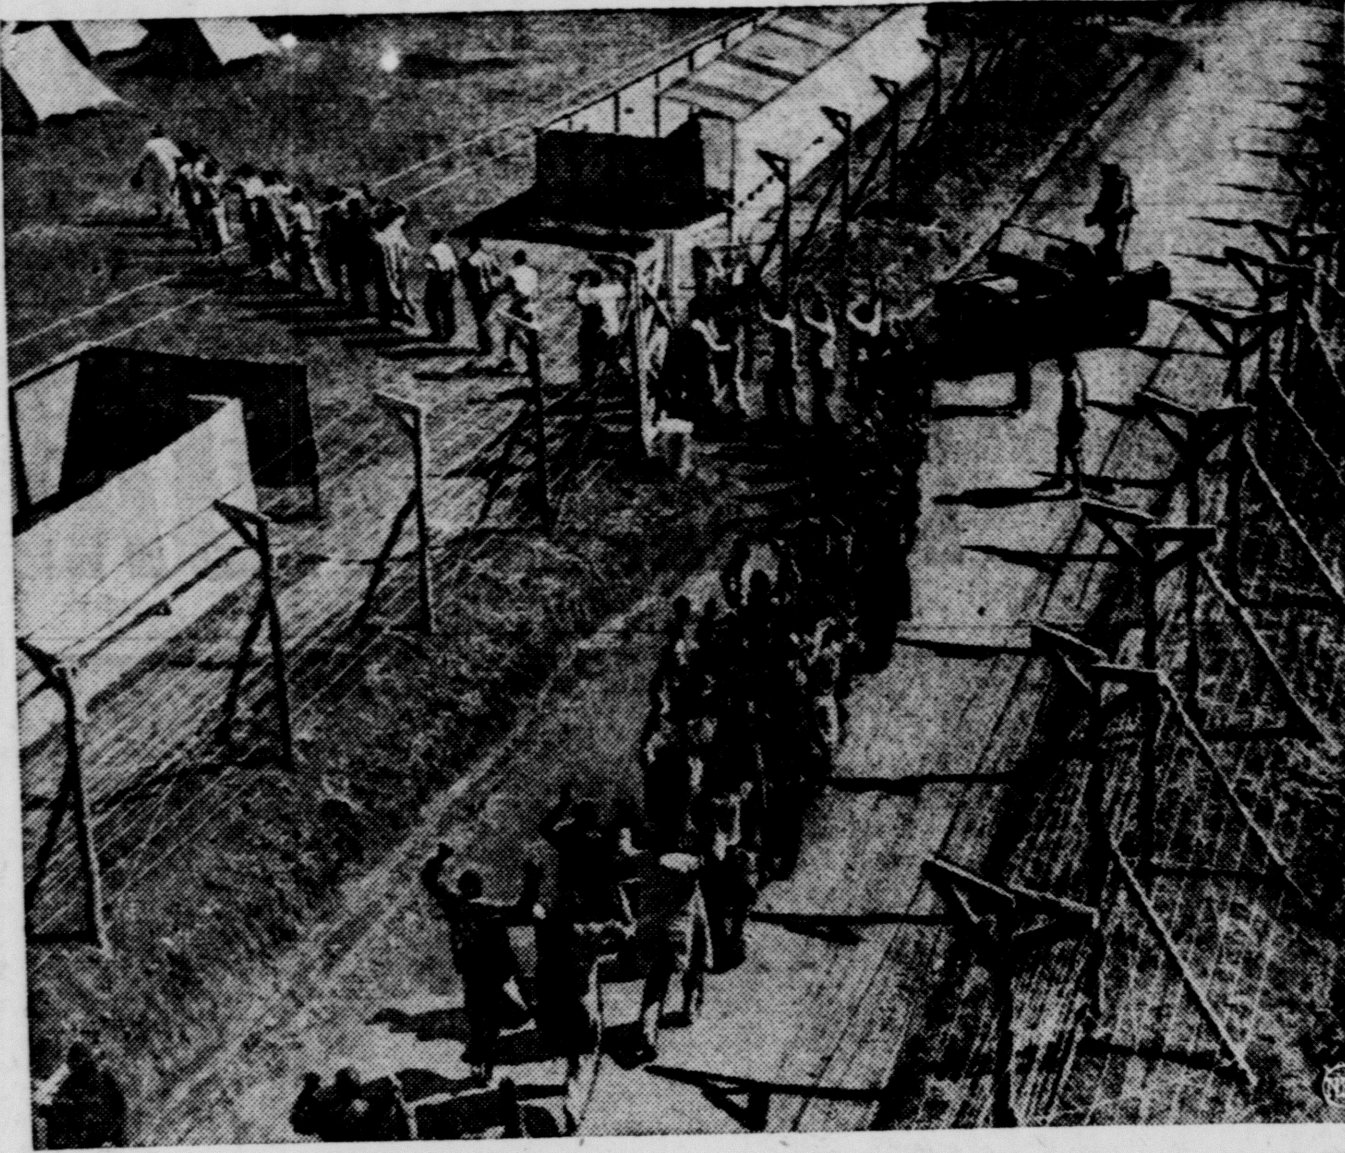

"In studying the case over the weekend, I discovered most of the statements were not taken under oath," the chief prosecutor continued. "The witnesses are now in many parts of the world."

An Army spokesman said files on the case had been turned over to Leland's office in order to get legal advice "on a case that was never closed and had been under constant review by Army agents."

In announcing the filing of charges against Leech, Canfield said he felt there was a "very strong circumstantial case" against the Ohioan, deputy to Confran when the latter was town commander of Passau.

Canfield said Confran fired a German girl secretary of whom Leech was fond and cancelled projected funds for her father's business.

Wessler and Rosewater were

guests of Cofran the night of the killings. All three officers were killed with an ax. Shortly after the slayings, gasoline-fed flames billowed from the top floors of the house.

Canfield said last night a German woman told investigators she saw a man leave the house when the fire started. The woman reported the man stopped for a moment and threw an object into the Danube River before continuing on to an adjoining house.

The deputy prosecutor told newsmen investigators later recovered an ax from the river at the spot pointed out by the woman. He said Leech slept in the adjoining house the night of the killings.

## Scout Troop Does Good Turn For Scoutmaster

LOS ANGELES (AP)—The Boy Scouts of Troop 666 did their good turn yesterday — for their scoutmaster.

First they had to get him out of town. They contacted Jim Stevens, sister in Fresno and arranged for her to invite him up there for a visit.

Then they set to work, "with parental supervision, and painted his house — a job they knew he had been planning but had postponed to work with them. It helped that a painting contractor was chairman of the parents' committee for the troop.

"We figured that since he'd given so much of his time to us, we owed him a little in return," said 15-year-old Scout Warren Smith.

## Mailman Claims Seeing Bull Catch A Fish

CROSSVILLE, Tenn. (AP)—Afrail people might laugh, rural mail carrier Mark Dunbar waited three days to tell of watching a bull catch a two-pound bass.

Dunbar related yesterday that he was driving past a pond and noticed a big fish thrashing about at the end of a line. Walking over to congratulate the fisherman he saw a bull that had been wading in the shallows stalk away with a line tangled on one foot, pulling the bass up on dry land.

Thompson was pronounced dead from internal injuries shortly after arriving at a Huntington hospital.

Andrew Saper Jr., Clyde Hess and Stephen Ryder of Den 1, with Mrs. Kenneth Hess as den mother, gave the history of boats, and displayed model boats they had made.

Cub Master Rinehart Noll presided at the meeting for parents following the entertainment and outlined the schedule for the summer's scouting program.

Parents and boys were reminded of the skating party to be held at Brookwood Rink Tuesday for the benefit of the Cubs. Also scheduled is a hike and wiener roast at McKinley Scout Reservation at Lisbon, Sunday, June 13; a father-son breakfast in conjunction with the Knights of Columbus at the Memorial Building June 20; a family basket picnic at Williams Wild Game Farm near New Waterford July 18; and the family wiener roast and reregistration of Cubs at the home of James Gurlea on Egypt Rd. Aug. 10.

A movie on cubbing and the pledge of allegiance ended the meeting.

Lucky Lager, with three prodigious leaps totaling 16 feet 10 inches set a new frog jumping record and won owner Roy Weimer \$1,000 yesterday in the 27th annual contest based on Mark Twain's famous story.

Lucky Lager bettered by 8 inches the mark set in 1944 by Maggie.

In Twain's story "The Celebrated Jumping Frog of Calaveras County," a villain loaded the favorite with buckshot and it never got off the ground.

## Woman Dies At 106, Always Ate Heartily

LOUISVILLE, Ky. (AP)—Mrs. Harriet Crain died yesterday at the age of 106. She attributed her long life to eating heartily. Defying health experts, she ate plenty of meat, eggs, cereal, milk and coffee. She wouldn't touch vegetables.

Columbiana

# June 1 Set For Contract Award

Concerns \$158,000 Softener Project

COLUMBIANA — The Columbiana board of affairs expects to be ready for an award of contracts Tuesday evening, June 1, for the addition to the municipal water softener plant to cost around \$158,000.

Numerous bids have been received and are being canvassed by Burgess & Niple, Columbus engineers in charge of the work, who are drafting a layout of comparisons of the bids.

The Columbiana Saddle & Bridle Club will have a horse show at the farm of K. F. Falls on Route 344 at the eastern edge of Leetonia at 1:30 p.m. next Monday.

The club plans to take part in the Decoration Day observance in Columbiana cemetery, and will form in the Pennsylvania Railroad yard at 9:45 a.m. to ride in the procession. R. C. Harold of Leetonia and Bert Scholl of North Benton will be judges of the horse show.

Forty members of Pandora Rebekah Lodge went to Youngstown in a Columbiana Coach Line chartered bus Thursday evening to put on degree work for Fernleaf Rebekah Lodge. Four candidates were obligated. Mrs. Bertha Myers is captain of Pandora degree staff.

A representative of the Greyhound Lines will give a talk on summer vacations illustrated by a motion picture at the meeting of Firestone American Legion Post at 8 p.m. today.

PANORA LODGE of Odd Fellows has abandoned its project of building a home on N. Elm St. because of the opposition of other property owners in the vicinity. The Church of the Nazarene is considering purchase of the site, but no exchange of properties is in prospect.

Russell Barrow and Irvin Brittain will be in charge of the Kiwanis Club program this evening when they will report on the convention of Kiwanis International at

After dinner at Valley Golf Club this evening, members of the Rotary Club will visit the greenhouses of Rotarians James Sittler and George Greiner at the eastern edge of town.

Members of the Rotary Club provided transportation in private cars for Columbiana High and Fairfield High seniors to Akron last Thursday to tour the plant of the Firestone Tire & Rubber Co.

Thirty four Columbiana seniors and 24 Fairfield seniors made the trip. They were entertained at dinner by the Firestone organization at the Akron Country Club.

MEMBERS of Columbiana High School Band will continue rehearsals one night a week during the summer. William H. Donegan, school instructor in instrumental music, will give private lessons daily, and hopes to interest adults in a community band in conjunction with the High School Band.

Band activities are being planned to include concerts at Firestone Park, an engagement at a Cleveland baseball game and at the soap box derby finals in Akron, and a trip to the state fair at Columbus for two days. The school band has been invited to the band camp of the Warren V.F.W. Band at Lakeside, June 13-20.

Beginning tomorrow, S. Sgt. Gerald D. Jones, recruiter in northern Columbiana County for the armed forces, will be at Columbiana city hall from 9 a.m. until noon Tuesday and Fridays.

As its final social event of the year, the Columbiana Teachers' Association will have a hamburger fry in Pavilion 2, Firestone Park, Wednesday evening, with husbands and wives and members of the board of education as guests.

SEES MCCARTHY LOSING CINCINNATI — The tide is turning against Sen. McCarthy (R-Wis) in the opinion of Corliss Lamont, a target of the Communist hunter from Wisconsin. This 200-horsepower Buick Century is the Riviera—the hardtop model that's taking America by storm.

## Live wire that really looks it

(One reason why Buick is such a big success this year!)

ITS sports-car lines tell you there's life and spirit here enough for any man. Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick—that sweeping panoramic windshield with the dream-car slant—all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the liveliest of the live wires—the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising,

a breeze on hills—and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it—the highest-powered car at its price in the land.

With this great-powered good-looker setting the pace—and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement—is it any wonder Buick today is outselling every other car

### Walter Plunkett

Walter Plunkett, 67, of 707 Sandal Place N.E., Canton, died at 9:55 p.m. Saturday in Salem City Hospital where he was admitted Wednesday for medical treatment.

Born July 31, 1886, in Salineville, he was the son of Mr. and Mrs. David Plunkett. A retired coal miner, he had made his home in Canton the last 10 years.

Survivors include three daughters, Mrs. Raymond Morrow and Mrs. Harold Morrow of Salem, and Mrs. William Dyer of Canton; two sons, Charles and Delmar Plunkett of Canton; six grandchildren; three great-grandchildren; and one sister, Mrs. Hugh Liggett of Canton.

Burial will be in West Lawn Cemetery in Canton.

Friends may call at the home this afternoon and evening.

### Mrs. Thomas Little

DEATH — Mrs. Thomas Little of 82, of Hancock, Md., mother of Thomas Little of E. 6th St., who died of complications Sunday night at 10:40 at Morgan County Memorial Hospital at Berkeley Springs, W. Va.

Survivors include her husband; her son, Thomas; two grandchildren; and five great-grandchildren.

Mr. and Mrs. Little were in Hancock at the time of his mother's death. Funeral service will be Wednesday at 10 a.m. in Hancock.

### Harry A. Hofmeister

Harry A. Hofmeister, 39, of 421 Mill St. died suddenly at Salem City Hospital at 3 a.m. today.

Born in Salem, he was the son of Harry and Maud Seiter Hofmeister, who preceded him in death in 1953.

He lived in this community all his life and was employed by the Bliss Co. for the past 12 years.

Survivors include his wife, Betty Conkle Hofmeister; two daughters, Sandra Sue and Nancy Ann at home; and two sisters, Mrs. Noble Neff and Mrs. Howard Forney, both of Salem.

Funeral service will be Wednesday at 2 p.m. at the Stark Memorial, with Rev. George Keister in charge.

Burial will be in Grandview Cemetery.

Friends may call at the funeral home Tuesday evening.

## Segregation

for the United States Senate, Sen. Russell made one of the most in-temperate speeches of recent years on the floor of the United States Senate, denouncing the United States Supreme Court.

The NAACP leader added that this scotch Russell's "burning ambition to be president of the United States" and at the same time supplied the Kremlin with propaganda material.

Russell said in Washington that he had no comment.

In the statement issued here the NAACP officials noted that "school officials will have certain administrative problems in transferring from a segregated to a nonsegregated system," but added: "We will resist the use of any tactics contrived for the sole purpose of delaying desegregation."

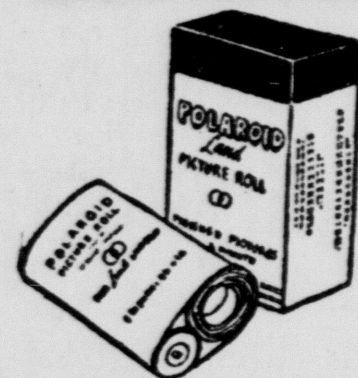

Talmadge did not comment afterwards on the NAACP's plan for approaching local school boards. He did say, however: "The people of Georgia well know my views. As long as I'm governor of Georgia there will be no mixed schools. I am not interested in pleasing Communists at home or abroad."

Talmadge said on a CBS program yesterday that the state will not comply with the Supreme Court decision.

"It would take several divisions

of troops to police every school building in Georgia and then they wouldn't be able to enforce it," he said.

Another defiant note came from Sea Island, Ga., where Leander Perez of Baton Rouge, La., declared that interracial marriages are the "ultimate objective" of the NAACP.

Perez, national director of the States Rights Committee, appeared with Georgia's Lt. Gov. Marvin Griffin on an MBS program. Both said the South will not accept the decision passively.

House committee, said he "can't conceive that the Congress won't do something."

Secretary of Agriculture Benson has said he would recommend a presidential veto if Congress votes for rigid supports. Knowland said: "If there is a deadlock in Congress or a bill passed that the President doesn't approve, the flexible supports will still go into effect."

Despite the uncertainty over the farm issue, Knowland said he believes Congress will come up with a program of accomplishments that will convince the voters they ought to keep the GOP in control of Congress.

He blamed Democrats for defeat of two of Eisenhower's proposals: revision of the Taft-Hartley Act and a proposed constitutional amendment to give the vote to 18-year-olds. Both died in the Senate.

Knowland predicted that the GOP will go to the voters with a program that includes tax reductions, social security expansion, a year's extension of reciprocal trade with some customs simplification, revision of the Atomic Energy Act, highway construction, continuation of the housing program and approval of the St. Lawrence seaway.

He said any such program will mean to carry out their promises, and he continued:

"I don't think President Eisenhower was ever under the illusion that he would get 100 per cent of his recommendations through Congress in the first two years of his presidential term."

21 and 25 for military service.

Due largely to sharp differences between government officials, no steps have been taken yet to put these measures into effect.

The French military situation is being made by Gen. Paul Ely, chief of staff of the French Army. He is to return to Paris soon to report to a French-American conference, scheduled to open early in June.

Officials in Washington said his recommendations, which may call for a shakeup in the French command in Indochina, will provide a basis for an expected French proposal for American action.

French and American soldiers who have made a close study of the military situation since the collapse of Dien Bien Phu do not feel Indochina is a lost cause from this standpoint.

## Memorial Day Program Speakers Are Selected

Rev. R. J. Hunter, pastor of the First Baptist Church, has been selected as the speaker at the service at Grandview Cemetery on Memorial Day. Rev. R. J. Richard Gaffney, pastor at St. Paul Church, will serve as chaplain.

Previously announced were the Hope Cemetery speakers. Howard Kingdom of Conneaut, department commander of the American Legion will deliver the address there and Rev. C. Clare Davis will officiate as chaplain. Student speakers have not been announced.

Those in the parade going to Hope Cemetery will meet at 9:30 a.m. on S. Broadway while the Grandview Cemetery contingent will form on N. Broadway. The parade will get underway at 10 o'clock according to Rex Reich, marshal.

## Market Reports

CHICAGO GRAIN — Trends in grains were mixed with dealings quite active at the opening on the Board of Trade today.

Wheat started 1/4 lower to 1/2 higher, July \$1.96 1/2, corn 1/4 to 1/2 higher, July \$1.53 1/2, oats 1/4 to 1 cent lower, July 70 1/2-1, and soybeans unchanged to 1/4 higher, July \$3.50-3.51 1/2.

## HUB CAPS STOLEN

Harold Shearer of RD 3, Salem reported to police that two hub caps were stolen from his car Friday night between 7 and 10:30 while it was parked on E. Pershing St.

NEWS TO HIM — James M. Leech, former Army Captain, talks on the phone at his job in Lima, Ohio, after hearing the news that a warrant issued in Frankfurt, Germany, charges him with the ax-killing of three fellow officers, while in the Army in Germany. Leech told newsmen "it's all news to me."

## McCarthy

Continued From Page One

aides have advised him they are "ready and willing" to testify when Army witnesses have finished.

To Be Uninterrupted

Mundt said the hearings will continue without interruption "until all available information is obtained."

The week's recess resulted from an executive order banning witnesses from testifying about a high-level Administration conference last Jan. 21.

Invoking the historic doctrine of separation of powers, President Eisenhower directed there be no discussion of what went on at the conference in Atty. Gen. Brownell's office, attended by White House aides.

McCarthy, contending it appeared the charges against him were "instigated" at this conference, had insisted it was necessary to get all details of the meeting to develop the full truth about his controversy with the Army.

## Rules Questions OK'd

Giving his view of the situation resulting from the President's secrecy order, Chairman Mundt ruled today that senators may ask any questions they choose about the Jan. 21 meeting.

But he said "witnesses will have the right to deny answers because of the President's directive."

"In the view of the chair," Mundt said, "The executive order does not prevent the asking of any questions that interrogators might care to ask, but it will be up to each witness and his counsel to make the plea of the protections set up by the executive order when it is considered essential to do so."

"In the interests of providing us all with the maximum access to the facts involved in this dispute, it is the hope of the chair that witnesses and counsel will take recourse in the executive order as infrequently as they consider permissible and possible under the order."

Stevens' testimony was delayed by a row among the senators as to what testimony and what subcommittee discussion — behind closed doors in executive sessions — should be made public.

## Damascus

Mrs. Harold Braman of Washington, D.C. and Mrs. Ethel Cameron were guests when the Friendship Circle class of the Methodist Church was entertained by Mrs. Frank Delzell with Mrs. Emil Stanley co-hostess.

Games were in charge of Mrs. Alton Bye and Mrs. N. C. Wilkinson. Prizes were awarded Mrs. G. R. Morton and Mrs. George Stanford. The group will entertain their husbands at a picnic June 16 with the place to be announced. Hostesses will be Mrs. Fred Jose, Mrs. M. L. Hans and Mrs. T. R. Somerville.

Pictures of a vacation in the west, and slides of a tulip festival in Malmesbury were shown by Virgil Malmsberry when the Fidelis Sunday School Class of the Friends Church was entertained by Mr. and Mrs. Paul Stanley.

Lunch was served by the host and hostess assisted by Mr. and Mrs. Robert Moore with 25 present.

Mr. and Mrs. Leland Holloway announce the engagement of their daughter Betty Gertrude to Nevin Frontz of Green Springs, O. No date has been set for the wedding.

## Mayor Cranmer Fines 3 Drivers, Jails 1

Three drivers were fined a total of \$130 and costs and one of them was sentenced to three days in jail by Mayor Dean Cranmer over the weekend.

Wilmer Bentley, 24, of 120 E. 3rd St., arrested by police for drunken driving in Sugartree Alley Sunday at 3:45 a.m., was fined \$100 and costs and given the jail sentence.

Irving Brown, 57, of Cleveland was fined \$15 and costs for passing on a hill and Richard DelVichio, 19, of 948 S. Lundy was fined \$10 and costs for speeding. The latter two men were cited by state highway patrolmen.

## Asia

Continued From Page One

in frustration are retiring into a neutral shell. And that serves the Communist cause.

For one who has just returned from Asia there is an atmosphere almost of fantasy here in Geneva. Talk of "united action" in Asia seems removed from reality.

At the moment, prospects seem dim for any Southeast Asia defense system under United States inspiration or protection. That may yet change as the Communist breath gets hotter on Southeast Asian necks. If so, the United States hopes to have the framework of an alliance which those nations can join if they choose.

## Fear World War

But in an extensive tour of that vast, underdeveloped, poverty-ridden area I found that, with few exceptions, Asian leaders cling to the view that any involvement in a bloc—however defensive it may be—will make Asia the cockpit for World War III.

With the understanding they would not be quoted by name, Asian leaders spoke frankly of their fears and frustrations in trying to build new nations in an area whose unplumbed riches and geographical position make it a tempting target for Red expansion.

## Friends Fall Silent

"Those who want to be friends of the United States are falling silent now," an elderly pro-American statesman told me sadly. "It is becoming just as politically unwise in this part of the world to take the side of the United States as it is for you in the states to take the part of Red China."

Asian leaders are alive to the internal Communist threat and have been fighting it consistently. They fear communism. But first of all they fear a new general war.

Because of this, however mistakenly, they fear the United States. They do not believe Americans have any aggressive designs on them. But they have a dread that actions of the United States in a head-on clash with the Soviet Union might plunge Asia into the most dreadful of all wars.

They insist they have won substantial victories over their domestic Communists and can keep them in check, short of invasion from China.

But many of these anti-Communist leaders themselves help Communist propaganda along. Anti-Communism is the cement holding these new nations together. Many a leader is not adverse to transferring the former fear of Britain, France or Holland to the United States. Several frankly admitted this to me.

Certainly the two largest nations, India and Indonesia, would have to be counted out of a Southeast Asian alliance as matters stand now. And Burma likely would cast a cautious look northward. That leaves Pakistan, Thailand and Malaya, short of a defense line pushed all the way back to the Pacific island chain.

## Tomorrow: After Indochina, Indonesia?

FINED IN LISBON — Kenneth Kirk, 45, of Grandview Ave., was fined \$20 and costs Saturday on an assault and battery charge at a hearing before Justice of the Peace Felix Butch. Kirk pleaded guilty to striking his wife during an argument Friday night at the home. Mrs. Kirk filed the charge.

to yield the right of way at the intersection to a truck-trailer operated by Frank Carver, 44, of Somerset, Pa., traveling southwest out of Canfield on Route 62. The auto was going northwest on 367.

### Thrown Out of Car

The mishap occurred within the intersection and after the impact the auto climbed over the center island. Mrs. Wiltanger was thrown out of the car, patrolmen said.

Cited for failing to yield the right of way, Olszowska was fined \$15 and costs by Canfield Justice of the Peace Harry Walker.

Three cars figured in a collision on Route 165, a mile north of East Palestine, at 5:15 p.m. Saturday.

Patrolmen said an auto driven by Richard Gorbey, 29, of East Palestine slowed down and was struck in the rear by a car operated by David Oliver, 20, also of East Palestine.

The Oliver car then traveled across the road and struck an approaching auto driven by Stanton Gamble, 49, of East Palestine. No one was injured.

Patrolmen cited Oliver for reckless driving.

Cars driven by Michael Perry Jr., 18, of Leetonia and Robert Williamson, 27, of Stratton, collided on the Teegarden Rd., two miles west of Route 45, at 3:30 p.m. Sunday.

Both autos were westbound. The Perry auto started to pass Williamson's car as Williamson attempted to turn left, patrolmen said. No one was hurt. Minor damage was done to the two vehicles.

Donat Enders, 53, of RD 2, Salem, was cited for making an improper signal after an accident on Route 62, three miles west of Salem, at 3:30 Sunday afternoon.

Patrolmen said Enders signaled a left turn and then turned right as an auto driven by Jack E. Miller, 17, of Canton started to pass.

Improper backing resulted in an accident on County Road 419, near Rogers, at 4:30 p.m. Sunday between autos driven by John E. Dailey, 23, of Columbiana and Paul Weaver, 22, of Lisbon.

Patrolmen said Dailey backed across the road into the Weaver car, causing minor damage to the vehicles. Dailey was cited on an improper backing charge.

## Miss Patricia Ann Murphy Is Wed To Calvin John Smith

Palms on either side of the altar, which was banked with arrangements of white gladioli, majestic daisies, pompons and white carnations, formed the setting for the exchange of vows when Miss Patricia Ann Murphy and Calvin John Smith were married at a nuptial Mass Saturday at 9 a.m. in St. Paul Church. Rev. Fr. J. Richard Gaffney performed the double ring ceremony.

Miss Murphy is the daughter of Mr. and Mrs. Lawrence Murphy of 660 E. 8th St., and Mr. Smith is the son of Mrs. Rose Smith of 649 E. 8th St., and the late Earl Smith.

Miss Sara Colman presided at the organ. The soloist, Thomas McKenna of Lisbon, sang "Ave Maria," and while the bride placed a bouquet at the Blessed Virgin's altar, which was erected especially for the month of May, he sang, "Mother at Thy Feet is Kneeling," for the recessional he sang, "On This Day O Beautiful Mother."

Given in marriage by her father, the bride wore a gown of Chantilly lace and gleaming bridal slipper satin. The tightly fitted lace bodice was styled with a high neck and long pointed sleeves. The lace ex-

Mrs. Calvin Smith

tended from the bodice over the upper part of the full, floor-length skirt of satin which curved gracefully into a chapel train of the same shimmering material.

Her fingertip veil was attached to a delicately worked Juliette cap of satin and lace. A white orchid, showered with streamers, graced the bride's white prayer book, which was a gift from the bridegroom.

Mrs. James Laughlin of Alliance was matron of honor, and Mrs. Lawrence Duko and Miss Catherine Murphy of Leetonia were bridesmaids.

Mrs. Laughlin wore a gown of blue crystal, fashioned with a floor length bouffant skirt and strapless bodice edged with crystal pleating. Her shrug jacket of same material was styled with elbow length sleeves. Her colonial bouquet was of yellow roses and yellow pompons.

Mrs. Duko and Miss Murphy wore gowns of pink haze designed like the matron of honor's. Their hats of forget-me-nots and velvet matched the color of their gowns. They wore tulle mitts and carried colonial bouquets of pink roses and pink sweetpeas.

Dudley Smith served his brother as best man, and another brother, James Smith, and James Laughlin of Alliance were ushers.

The bride's mother was attired in gray lace over pink with pink and navy blue accessories. Mrs. Smith wore light blue lace with navy blue accessories. Both mothers wore corsages of pink roses. The wedding breakfast was at Parkview House in Canfield, and a buffet luncheon was served to relatives at the bride's home.

Keith Riffle's orchestra furnished music for the reception in the afternoon at Valley Golf Club in Columbiana. The refreshment table, laid with a white cloth, was lighted with white candles and centered with a four-tiered wedding cake, which was frosted in pale pink and topped with a miniature bride and groom set in a heart of lilies of the valley. Mrs. John Smeltz presided at the silver service.

Attending the reception were 250 guests from Detroit, Fort Wayne, Norfolk, Pittsburgh, Cleveland, Akron, Youngstown, Alliance, Lisbon, Leetonia, Columbiana and Salem.

The bride, a graduate of Salem High School, is a service representative for the Ohio Bell Telephone Co. Mr. Smith, who is a graduate of David Anderson High School in Lisbon, served two years with the Marine Corps and is now operating Call's Service Station.

For traveling, the new Mrs. Smith wore a two-piece rose colored suit with navy accessories and an orchid corsage. After a honeymoon trip through the New England states, the couple will reside at 649 E. 8th St.

Gifts were presented to the attendants at the rehearsal dinner Friday night at the Howard Whinnery residence on Homewood Ave. Mrs. Whinnery is Mr. Smith's sister.

## Officer Election Set By Women Of Moose

Mrs. Russell Withers, senior regent, presided at the Wednesday night meeting of the Women of the Moose in the temple. The members nominated officers and scheduled formal initiation and election for the next meeting Wednesday, June 2.

## Miss Joann Marie Copacia Becomes Bride Of Alex Bosu

A flower pattern was woven in the white lace of the beautifully-styled gown worn by Miss Joann Marie Copacia for her wedding to Alex Bosu Saturday at 4 o'clock in St. John's Romanian Orthodox Church.

John Surducian, Cleveland minister, performed the double ring service uniting the daughter of John Copacia of Jennings Ave. and the late Mrs. Copacia, and the son of Mrs. Mary Bosu of W. State St.

Due to the illness of her father, the bride was escorted to the altar by an uncle, Moise Copacia of Indianapolis. Palms backed the chancel setting and flowers were attached to the ends of every other pew down the church aisle.

A bouquet of Calla lilies in colonial arrangement complemented the bride's lace gown, enhanced by the understating of white satin. The intricate portrait neckline was embroidered with a pearl and sequin motif and the jewel-like effect was repeated in the crown she wore. Her filmy net veil was in graduated length. Pearls were worked into the hemline of the fully-fashioned ballerina skirt, finished with shadow train.

Mrs. Stephen Odoran, organist, was accompanist for Miss Jenny Taffan who sang, "Always," "Because," "Through the Years" and "O Promise Me" prior to the appearance of the bridal party. The

Mrs. Alex Bosu

traditional wedding marches her-aided the bride.

Contrasting with the bride's all-white ensemble were the ballerina gowns of toast brown, pink, green, blue and lavender worn by her five attendants. Each wore pearl necklaces, gifts of the bride, and the crowns on their heads matched the color of their gowns.

Mrs. Mary Gergel of Warren was matron of honor in toast brown lace over taffeta, designed with a square neckline and a bouffant skirt. Yellow carnations made up her colonial bouquet.

The bridesmaids were Miss Evelyn Copacia, sister of the bride; Miss Helen Dora Copacia and Miss Delores Buta, cousins, and Miss Helen Dicu. The colorful pastel gowns of the four Salem girls were fashioned of lace on taffeta and net in ballerina style. The lace in apron effect was over ruffled net.

Matching lace capes, and muffs to match their gowns, completed their costumes, except for yellow carnation corsages fastened to each muff.

Diane Ugran and Kathy Ugran of Youngstown and Linda Boyer of Akron were flower girls in white dotted lawn worn over pink, yellow and aqua taffeta respectively. With their ballerina gowns, they wore crowns ornamented with taffeta rosettes to match their sashes and underslips. Each carried baskets of spring flowers.

John Gergel of Warren was best man. Ushers were Kenny Bosu, brother of the bridegroom, John Pridon, Don Whitacre and Bob Oana. All the men are from Salem except Mr. Whitacre, who resides in Winona.

The bride's maternal grandmother, Mrs. Peter Ugran Sr., chose a dress of blue and white rayon with navy accessories for her granddaughter's wedding and Mrs. Bosu wore a navy blue lace dress. Both women had corsages.

From the church the wedding party went to Leul Hall where they greeted 600 guests from Salem, Canton, Youngstown, Akron, Cleveland, Detroit, and surrounding vicinity. A four-tiered cake, decorated with pastel pink roses and a twin swan and bridal figurine, was served the guests.

Mr. and Mrs. Bosu will honeymoon in Washington, D.C., and New York City before they return to Salem to make their home with the bride's father for the present. The bride and bridegroom are employed of Mullins Manufacturing Corp. and she is a clerk in the First National Bank.

## Miskimins-Weingart Nuptials Held In Presbyterian Church

Two graduates of Goshen Union High School, Miss Margaret Ann Miskimins and Airman First Class Neil F. Weingart, exchanged vows and rings in the ceremony performed Sunday before a large company of friends and relatives in the sanctuary of the First Presbyterian Church.

The guests were seated at 2:30 as the organist, Miss Anna Cook, began her recital of nuptial music. The church pastor, Rev. A. Laten Carter, officiated in the double ring service at 3 o'clock.

Preceding the bridal party into the church were the bridegroom's parents, Mr. and Mrs. Fred Weingart of the Western Reserve Rd., and the bride's mother, Mrs. William Miskimins.

Mr. Miskimins escorted his daughter to the chancel where sheffleras and grape ivy were combined in the candlelit setting. Twin vases of white snapdragons and pink and white carnations graced the altar and large white satin bows and wedding bells marked the pews.

Before the bride appeared, Otis Rhodes sang "I Love You Truly," "Through the Years," and "Because." During the service he sang "The Lord's Prayer."

The bride's original gown was designed of white nylon tulle over satin. The bodice, fitted at the waist, was distinctively styled with narrow bands of lace accenting the petal effect at the scoop neckline, and the lace outlined the short sleeves.

Narrow bands of the same lace were repeated in even circular pattern down the whole length of the fully-gathered nylon tulle skirt fashioned in the ballerina mode. The mitts of tulle the bride wore were banded in lace and she carried a white orchid, showered with lily-of-the-valley on her white Bible. Her pearl necklace was the gift

Mrs. Neil F. Weingart

of the bridegroom and a band of seed pearls and rhinestones held her short veil in place.

The waltz-length strapless gowns of the bride's five attendants were designed with taffeta bodices and bouffant tiered skirts. Each wore a tulle stole and carried colonial bouquets.

Miss Mary Miskimins was her sister's maid of honor in an orchid-colored gown, and her flowers were yellow roses.

Bridesmaids Miss Carol Stille and Miss Sally Miskimins, the bride's cousin, appeared in pink gowns, and Mrs. Dale Malmesbury, sister of the bridegroom, and Mrs. Dale Garlock wore green. Their colonial bouquets contained pink roses and lily-of-the-valley.

Susie Sickle, niece of the bridegroom, was flower girl. Pink and green velvet bows made the only color on her white dress. She scattered flower petals from a white lace basket.

Claire Weingart was his brother's best man. Another brother, Galen, Bob Miskimins, a cousin of the bride; and Jim Barnes and Robert Fowler were the ushers.

Phillip Malmesbury, nephew of the bridegroom was ringbearer.

For her daughter's wedding Mrs. Miskimins wore a navy blue dress with white trim and navy and white accessories. Mrs. Weingart chose a dress of green and white nylon. Both mothers wore corsages of pink roses.

The newlyweds greeted 250 guests at the reception in the church social hall. Included were people from Salem and surrounding towns, Elmira, N.Y., Salem, W.Va., and Springfield.

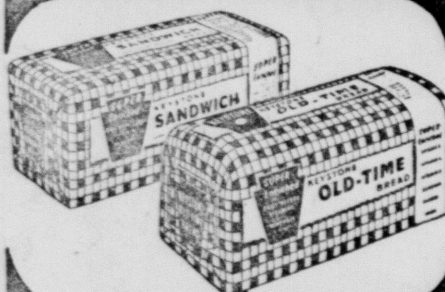

Huckleberry leaves and sweetheart roses made the decorative motif around the four tiered wedding cake served the guests. A bridal figurine in miniature topped the cake.

For their short, undisclosed honeymoon trip, the bride traveled in a navy blue suit with white and navy accessories, complimented by the orchid from her bridal bouquet.

When they return, the airman will leave for his base at Charleston, S.C. and his bride will remain with her parents for the present. Before entering the service, Mr. Weingart was employed by the Cosmopolitan Construction Co. Mrs. Weingart will continue her work with the Metropolitan Life Insurance Co.

## Picnic Is Planned By Wesleyan Class

Spring time blossoms carried out the theme for the May meeting of the Wesleyan Class of the First Methodist Church Wednesday evening at the home of Mrs. Glenn Harding of Homewood Ave. Mrs. P. D. Williams was a guest of the 28 members.

Mrs. J. H. England presented the worship service, using the topic, "The World Struggles for Peace," with meditation and prayer.

The program chairman, Mrs. Russell Moore, presented Mrs. C. C. Davis, who told of her recent trip through Kentucky and Tennessee, illustrating her talk with slides.

Mrs. John Litty conducted the business session during which Mrs. Robert Davis was appointed on a special committee. Mrs. Moore, Mrs. F. C. Troll, Mrs. Litty and Mrs. Irving Megrail served refreshments.

The next meeting will be Wednesday, June 16, when mothers and daughters of the class will hold a picnic at the Diehl Lake home of Miss Inez Heisler.

## Esther Butler Society Has Thursday Meeting

Mrs. Charles O'Connell, assisted by Mrs. Harry G. Gardner, entertained 16 members of the Esther Butler Missionary Society of the First Friends Church at the meeting Thursday at the O'Connell home on Cleveland St.

Mrs. Sylvester Jackson, president, opened the meeting with a poem, entitled, "Prayer" and both she and Mrs. Paul Webb led in prayer. Miss Mary Herbert read the 91st Psalm, and a poem entitled, "Uawares."

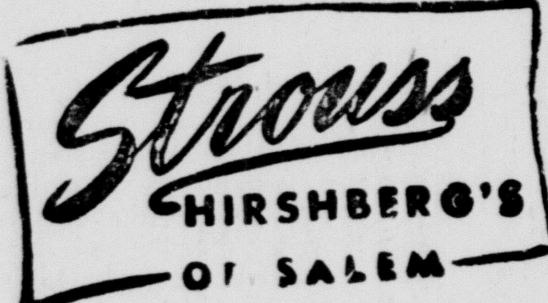

"Who Came First" was the title of the reading by Mrs. Lillian Shaffer who also told the story of Rev. George Bernard, who composed the hymn, "The Old Rugged Cross," which was sung by the group.

Prior to the spiritual benediction by Mrs. Charles Ogden Mrs. Nellie Rhodes read a poem written by Bertil J. Bostrom of Salem. The next meeting will be held Thursday, June 17.

## TO BE GRADUATED

Royal A. Schiller of 969 S. Lincoln Ave. is a member of the June graduating class of Fenn College in Cleveland. He will receive a Bachelor of Mechanical Engineering degree.

# Indians Win Two From Orioles, Stretch Win Streak To 11

## Tribe Captures 14-3, 2-1 Wins

Rosen, Houtteman Win Second Tilt

CLEVELAND (AP) — Cleveland's streaking Indians—turning up both clutch hitting and clutch pitching—stretched their league lead to 2½ games yesterday by winning a doubleheader from the Baltimore Orioles.

Al Rosen, swinging at a bad pitch, hit his 11th home run of the season over the right field fence to tie the second game in the ninth. Art Houtteman—who pitched his way out of five serious jams—banged a double in the 12th, driving in the clinching run for a 2-1 victory.

That was the Tribe's 11th win, their longest string since 1951 when they set a club record of 13.

Bob Feller, staked to a seven-run lead before the Orioles got their first score, missed a shutout but won the opener 14-3. It was his 250th victory for the Indians since 1936, against 151 losses.

Houtteman held Baltimore scoreless in five straight innings in this way:

1. Sam Mele, first Oriole up in the second, doubled and got to third with two out, only to be left stranded.

2. Bob Young, first batter in the third, tripled but was trapped and tagged after a ball was hit into the infield.

3. Vern Stephens, first man up in the fourth, doubled and got to third with one out. He was left stranded.

4. Young, second man up in the fifth, tripled and was left on base.

5. Dick Kryhoski, first man up in the sixth, singled and got to third on a sacrifice and an error with one out. He also was left on base.

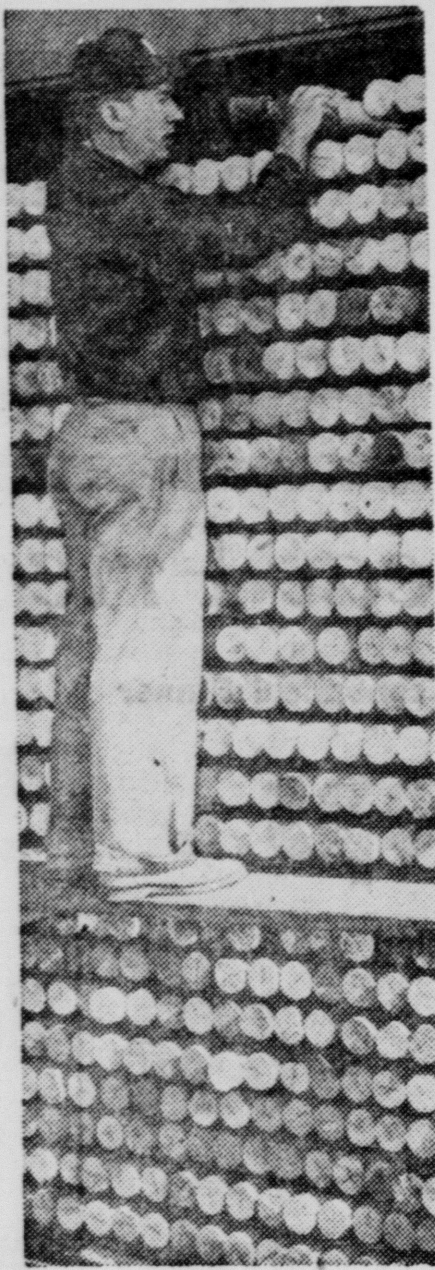

Except for a ball-hungry fan, Feller might have held Baltimore to a single run, or possibly scoreless. After Gil Coan singled with one out in the sixth, Kryhoski hit a fly to right field. Cleveland's Dave Philley reached over the wall for the catch, but an eager fan banged his arm, popping the ball back onto the diamond for a double. Coan scored on Young's fly, which would have been the third out, and then Sam Mele hit a homer.

Bobby Avila, the Indian second baseman, hit five times in 10 chances to boost his batting average to .382, best in the league. Rosen, with three hits in nine chances, dropped back into second with a .375 average.

Rosen, however, drove in four more runs running his league-leading total to 44. His 11 home runs also are tops.

Poor judgement resulted in the Orioles' only run in the second game. Young singled with one out and then scored as Jim Briedewer hit a ball into left field. It fell between left fielder Al Smith and shortstop George Strickland for a double. Smith stopped running, figuring Strickland had it and vice versa.

Houtteman retired the last 11 Indians won the opener 14-3.

GOING BATS — Every here and there in this stack of billets, being aligned by a worker at a Dodgeville, N. Y., plant is a home run. The sections of ash-wood will be converted into bats.

men he faced in order, as Rosen sent the game into extra innings by hitting an outside pitch over the right field fence, which is "opposite field" for the first baseman who bats right-handed.

Then in the 12th, Strickland walked and went home on Houtteman's double.

Bob Turley, the losing pitcher, remarked, "You hate to lose one like that, but when Rosen hits one—you figure the best in the business is doing it."

Possibly feeling the aging Feller would have more trouble than he did, the Indians started the opener by getting three duns the first time they came to bat.

Smith walked, Avila singled but was caught trying for second, Philley walked, and then Smith scored on Rosen's fly. After Larry Doby walked, Rudy Regalado doubled in two more runs.

In the fourth, Jim Hegan walked, Feller singled, Smith doubled in Hegan and Philley hit a homer.

Feller walked and Smith, Avila and Rosen all singled for two more runs in the sixth.

In the eighth, Smith got to first on an error. The next five men singled for five more runs. Hitting those singles were Avila, Philley, Rosen, Doby and Regalado.

### SUNDAY'S STARS

PITCHING—Art Houtteman, Indians, outpitched Bob Turley in a 12-inning thriller to give Cleveland a 12-inning 2-1 victory and a sweep of their doubleheader with Baltimore. Houtteman doubled in the winning run in the 12th for Cleveland's 11th straight triumph. The Indians won the opener 14-3.

## Merchants Beat Liverpool 8-5

Tisch, Stallsmith, Lease Hit Homers

The Salem Merchants defeated East Liverpool 8-5 in a contest Sunday at Centennial Park.

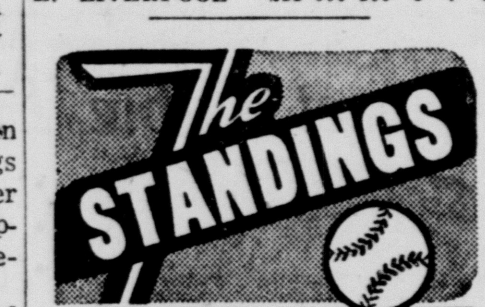

Salem had 13 hits and three errors, East Liverpool had seven hits and no errors.

Wyss, pitching for the locals, struck out nine batters and walked four. Tisch, Stallsmith and Lease hit home runs for the Merchants. The East Liverpool pitcher, Turick, struck out seven batters and walked three.

Salem got two runs each in the first, fourth, seventh and eighth innings. East Liverpool got two runs in the first and one each in the second, third and seventh frames.

The Merchants now have a win-loss record of three and one.

## Tebbetts Uses 4-Man Outfield Against Musial

CINCINNATI (AP)—Birdie Tebbetts the peppy manager of the Cincinnati Reds, says his decision to use a four-man outfield Saturday night against Stan Musial was no snap judgment.

"I had discussed it with key members of my club numerous times," he said. "I've even had Roy McMillan practicing in the outfield for just such sort of an emergency."

He pulled the unorthodox play at St. Louis. It was in the eighth inning, the Reds ahead 4-2. With two out, one on base, and the powerful Musial at bat, Tebbetts lifted shortstop McMillan and replaced him with a fourth outfielder, Nino Escalera, who played between center fielder Gus Bell and right fielder Wally Post. There was no one at short.

The strategy was not needed, however, as Art Fowler struck out Musial.

But Tebbetts indicated he would use four outfielders against Musial, Eddie Mathews, Hank Sauer and Ralph Kiner if a similar situation arises.

"It cuts down the chances of getting an extra base hit," he said "and if the batter should happen to hit the ball out of the park, well you could have nine outfielders and they would be unable to do anything about that."

## Chisox Buy Kell For \$100,000, Eye Cavarretta

By TOM BRANAGAN

CHICAGO (AP) — In a lavish, uncharacteristic gamble, the Chicago White Sox paid a reported \$100,000 for hard-hitting George Kell and now are ready to acquire another famed slugger, Phil Cavarretta.

Frank Lane, the Sox general manager, got third baseman Kell from the Boston Red Sox for reserve infielder Grady Hatton and cash — so much that Red Sox General Manager Joe Cronin "couldn't turn it down."

Lane didn't announce the amount involved but Manager Paul Richards, when asked if it was \$100,000, said: "I think that's pretty close."

In a further effort to shore up the Sox for a determined pennant drive, Lane appeared on the verge of taking on Cavarretta, the deposed Chicago Cubs manager, as a pinch hitter and coach.

Kell has hit over .300 the last seven seasons and Cavarretta has a lifetime .292 batting mark in 19 seasons at first base for the Cubs. With the Sox' pitching staff manned by experts — Richards says it's the best in the American League — the weak-hitting Comiskey club needed a player of Kell's batting ability badly. Richards said only Saturday that the club had to find a dependable slugger to stay in the race. Sox pitchers were hurling five and six-hit games and losing.

If Cavarretta is obtained and can regain even a respectable fraction of his old form, another Sox problem would be near solution. Richards hasn't been able to call forth a reliable pinch hitter in clutch situations. He sent pinch batters to the plate 35 times this season before one of them — pitcher Bob Keegan — produced a hit.

The ex-Cub pilot, relieved during spring training and replaced by Stan Hack, was due in Chicago today for a talk with Lane. They were reported close to an agreement.

## Joe Baks To Box Bob Baker Tonight

NEW YORK (AP) — Joe Baks, back for "just one more chance," kicks off the boxing program tonight at Brooklyn's Eastern Parkway (ABC-TV) against Big Bob Baker, a Pittsburgh giant who also fumbled away his big chances.

When Baks, now 32, came down from the farm at East Nassau, N.Y., around the first of the year he weighed a bulging 261 pounds. After weeks of training and one "tuneup" knockout victory he's down to "about 233."

Baker's bright hopes were dimmed by chronic bad hands.

Every time he started to make his move, the hands went back on him. He got up around 223 but weighed only 209 when he was stopped by Archie Moore March 9 at Miami Beach.

The rival TV show at St. Nicholas Arena tonight (Du Mont) features Ralph (Tiger) Jones and Pedro Gonzales in a middleweight 10-rounder. Jones disappointed badly as a 5-1 favorite May 14, losing to Jacques Royer at Madison Square Garden.

Gonzales, a youngster from Rankin, Pa., has won 11 of 18 pro starts, losing to Pierre Langlois and Rocky Castellani in his two 1954 scraps.

## Dodgers Win Double-Header; Chisox Buy Kell From Boston

**By JOE REICHLER**  
AP Sports Writer

Baseball may be a young man's game but you can't convince Bob Feller, Ted Williams, Mickey Vernon, Preacher Roe, Marv Grissom and some of those other greybeards.

Led by these veterans of 36 or thereabouts, and the 39-year-old Ellis Kinder, the "Old Guard" had quite a day yesterday. Even such yearlings as 33-year-old Andy Pafko and 31-year-old George Kell got ideas and joined in the fun.

Feller, who will be 36 in November, pitched his first victory of the season and the 250th of his career as the Cleveland Indians beat Baltimore in a double-header 14-3 and 2-1 to increase their American League lead to 2½ games over Chicago.

The tribe had to go into extra innings in the nightcap to post their 11th victory in a row. Pitcher Art Houtteman won his own game with a 12-inning double that scored George Strickland. Al Rosen's homer in the ninth, his eighth in the last nine games, off Bob Turley, forced the game into overtime.

Williams batted two singles and drew three walks in six times at bat, drove in a run and scored three as the Boston Red Sox outslugged the New York Yankees 10-9. Kinder hurled the last three innings to receive credit for his second Boston triumph. The Red Sox tallied seven runs in the last three innings to knock New York into third place.

Kell, playing his last game for Boston, collected three hits, drove in three runs and scored twice. It was not until after the game that he learned he had been sold to the Chicago White Sox for undisclosed cash and infielder Grady Hatton.

Roe not only went the route for the first time this year but starred on offense as the Brooklyn Dodgers captured a double-header from Pittsburgh 5-4 and 6-2 to climb a tie with Milwaukee for first place in the National League. The grizzled southpaw, a notoriously poor hitter, smacked a single and double and scored what proved to be the winning run in the opener. Duke Snider walloped two homers for the Brooks in the nightcap.

Pafko, playing in his 12th big league season, was the big gun in Milwaukee's double triumph over the Chicago Cubs. After driving in the tie-breaking run with a 10th-inning double in the Braves' 4-2 opening victory, he blatted two homers and a triple and drove in five runs in the 9-3 nightcap. Rookie Ray Crone and sophomore Chet Nichols were Milwaukee's route-going winners.

Grissom, third pitcher used by Manager Leo Durocher, held the Philadelphia Phillies scoreless in the final three innings, protecting New York's 6-4 lead. The Giants swept past the Phils into fourth place. Willie Mays batted in three runs with a triple and single off loser Curt Simmons.

Vernon, who joined Washington in 1940, clouted a home run and three doubles to lead the Nats to a 9-4 victory over Philadelphia's Athletics. Elmer Valo, 33-year-old outfielder, hit a three-run homer for the Athletics.

Eighth-inning home runs by Minnie Minoos, Cass Michaels and Sherman Lollar gave the White Sox all their runs as they came from behind to defeat Detroit 4-3. Relief pitcher Sandy Consuegra, 33-year-old right-hander, replaced 35-year-old Virgil Trucks in the seventh and received credit for his third victory without a defeat. Detroit's Steve Gromek, 34, had a shutout until he ran into the eighth-inning avalanche.

Outfielder Wally Post drove in five runs with a home run and double to lead the Cincinnati Redlegs to a 13-6 victory over the St. Louis Cardinals. The result boosted the Reds only two percentage points out of the first division and dropped the Cards from first to third place.

### Manager Changes Roles, Becomes Football Hero

MADISON, Wis. (AP) — An assistant football team manager last season switched to hero hero Saturday as Dick Frecka of Portsmouth, Ohio, led the victory for his team in a Wisconsin Badgers intrasquad game.

More than 75,000 fans saw the junior quarterback lead the Cardinals to a 21-14 conquest of the Whites.

As his team trailed in the third quarter 7-14, Frecka passed 15 yards to end Dave Howard, who tumbled into the end zone with the tying touchdown.

Then early in the fourth quarter, Frecka romped 17 yards on a reverse for the winning counter.

The human eye weighs about a quarter of an ounce.

**NOT IN FUN**—Rocky Marciano skips rope at Grossinger's, N. Y., training camp as he gets ready for title defense against Ez Charles at Yankee Stadium, June 17.

### Fight Results

**By The Associated Press**

**BOSTON** — Tony Demarco, 145½, Boston, outpointed Johnny Cesar, 147½, Hartford, Conn., 10.

**Miami, Fla.** — Billy Lauderdale, 148, Miami, outpointed Chris Christensen, 145, Denmark, 10.

**HOLLYWOOD, Calif.** — Bobby Why, 126, Los Angeles, outpointed Kenny Davis, 126, Clarendon, Tex., 10.

**HAVANA** — Oscar Suarez, 111, Cuba, outpointed Johnson Rodriguez, 112, Cuba, 12.

**MEXICO CITY** — Manuel Armenteros, 121, Cuba, stopped Raul Solis, 117, Mexico, 7.

### SUNDAY'S STARS

**BATTING**—Andy Pafko, Braves, doubled in the tie-breaking run in the 10th inning as Milwaukee defeated the Chicago Cubs 4-2 in the first game of the doubleheader. He hit two homers and a triple to drive in five runs in the 9-3 second game victory.

## Michigan State Wins Big 10 Baseball Title

CHICAGO (AP) — Michigan State's Spartans won their first Big Ten baseball championship by beating Ohio State twice Saturday 6-4 and 6-5.

The Spartans needed a double win to avoid a title tie with Wisconsin, which closed with a rush, beating Minnesota twice 5-3 and 7-1.

Michigan State ended the season with 11 wins in 13 Big Ten games. Wisconsin won 10 and lost three.

The Big Ten championship qualified Michigan State for the district four NCAA playoffs. The Spartans will compete with Ohio University and Ashland, Ohio, College for the right to represent the Midwest in the finals. The two Ohio schools will meet in a two-out-of-three game series starting tomorrow with the winner taking on Michigan State in another series starting May 31.

Ohio State dropped into a third place tie with Michigan, whose Wolverines beat Indiana 8-2 and 7-3. In other season-ending double headers Saturday, Illinois beat Purdue twice 5-4 and 5-1, and Iowa and Northwestern traded 2-0 victories.

The final payoff for Michigan State was Jack Powell's bloop single to center in the eighth inning of Saturday's second game. It scored Dan Brown from second base and broke a 5-5 tie. The Spartans handed Buckeye ace Paul Ebert his first setback of the season in the opener, knocking him out with a four-run blast in the seventh inning.

## Kansas Wins Big 7 Track, Field Title

BOULDER, Colo. (AP) — Kansas' famed miler Wes Santee was beaten out for individual honors by a Colorado University hurdler in the Big Seven track and field championships, but the Kansas squad had no trouble defending its conference title.

League officials named Pat Hindman of Longmont, Colo., as the outstanding performer. He ran the 120-yard high hurdles in 14.2 seconds to tie a conference record and placed in the 220-yard low hurdles.

Santee registered easy victories in the half-mile and mile but failed to equal league records. His time for the 880-yard run was 1:51.8—a full second over his own Big Seven mark of last year.

In the mile, Santee was clocked in a slow 4:13—far short of his American record of 4:02.4.

## British Amateur Golf Championship Underway

MUIRFIELD, Scotland (AP) — The six-day British Amateur Golf Championship got under way today and players cast anxious eyes toward the unpredictable Scottish weather. They all agreed that the 59th title would go to the longest-driving player with ability to sink putts on soaked greens.

The weather here has a habit of reversing quickly, but a relentless rain the past few days has softened up the testing 6,086-yard, par-72 links considerably.

Players from 15 nations are entered and the experts have tabbed big Bill Campbell of Huntington, W. Va., and defending champion Joe Carr of Ireland the two players to beat. They're the longest hitters in the field.

Frank Stranahan of Toledo has been installed as co-favorite with Carr by the professional oddsmakers, but he has been far off form in practice rounds.

# America's lowest priced low-friction SIX!

### FORD'S NEW I-BLOCK SIX IS THE MOST MODERN SIX IN THE INDUSTRY . . . THE ONLY LOW-FRICTION SIX IN ITS FIELD!

Why are more and more folks who like sixes swinging to Ford's 115-h.p. I-block Six? Because they're getting the most modern six in the industry . . . and for less money than practically any other six in America. Ford's short-stroke, low-friction design means less gas waste, less wear and longer engine life. The extra-deep, "I-shaped" block means a more rigid, quieter engine. And the new high-turbulence combustion chambers, teamed with Ford's exclusive Automatic Power Pilot, bring you even more "GO" per gallon.

**ONLY FORD OFFERS BOTH A V-8 AND SIX IN THE LOW-PRICE FIELD!**

Ford is still the only low-priced car to bring you V-8 power. And this year, Ford's Y-block V-8, with its new deep-block, low-friction design, is the most modern

"eight" in the industry. Both new Ford engines are available with Fordomatic, Overdrive\* or Conventional Drive—the finest choice of drives in the low-price field. \*at extra cost

## HERE'S WHAT FORD'S LOW-FRICTION DESIGN MEANS TO YOU

'54 Y-block V-8 piston stroke 3.10  
Old type engine piston stroke 3.75

**LONGER ENGINE LIFE.** Both new Ford engines are of short-stroke design. This means pistons travel less distance. Naturally, there is less friction and less wear. In both engines overhead valves have a free-turning feature which allows them to rotate to cut down wear.

**MORE POWER.** Because there is less friction to overcome in moving pistons up and down, there is more energy available to move the car. And because combustion chambers are wedge-shaped, fuel burns more completely . . . for even more power and less gas waste.

**MORE "GO" PER GALLON.** In addition to this gas-saving, low-friction design, Ford engines bring you the Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. You won't find any of the modern advances on this page in any other low-priced car.

*Worth more when you buy it . . . worth more when you sell it!*

## Louver Doors Help Keep House Cooler

Louver doors inside a house increase the efficiency of air conditioning because air circulates more easily between rooms.

Another reason for the surge in popularity of louver doors and shutters in home interiors is that they can be decorated to suit any architectural style. They blend with any period of decoration because panderosa pine wood effectively takes paint, varnish and stain treatments.

When the doors are used on closets, circulation of air through the louvers is a helpful deterrent against moths and musty smells.

A popular place for louver doors is between dining rooms and living rooms, or as swinging doors between kitchen and dining areas. Another val-

tion is to hang shutters inside picture windows where they increase the charm of the interior.

## Varied Sizes Make Convectors Adaptable

A wide variety of sizes makes convector heat distribution units readily adaptable to any hot water or steam heating system and to any home, rambling or compact.

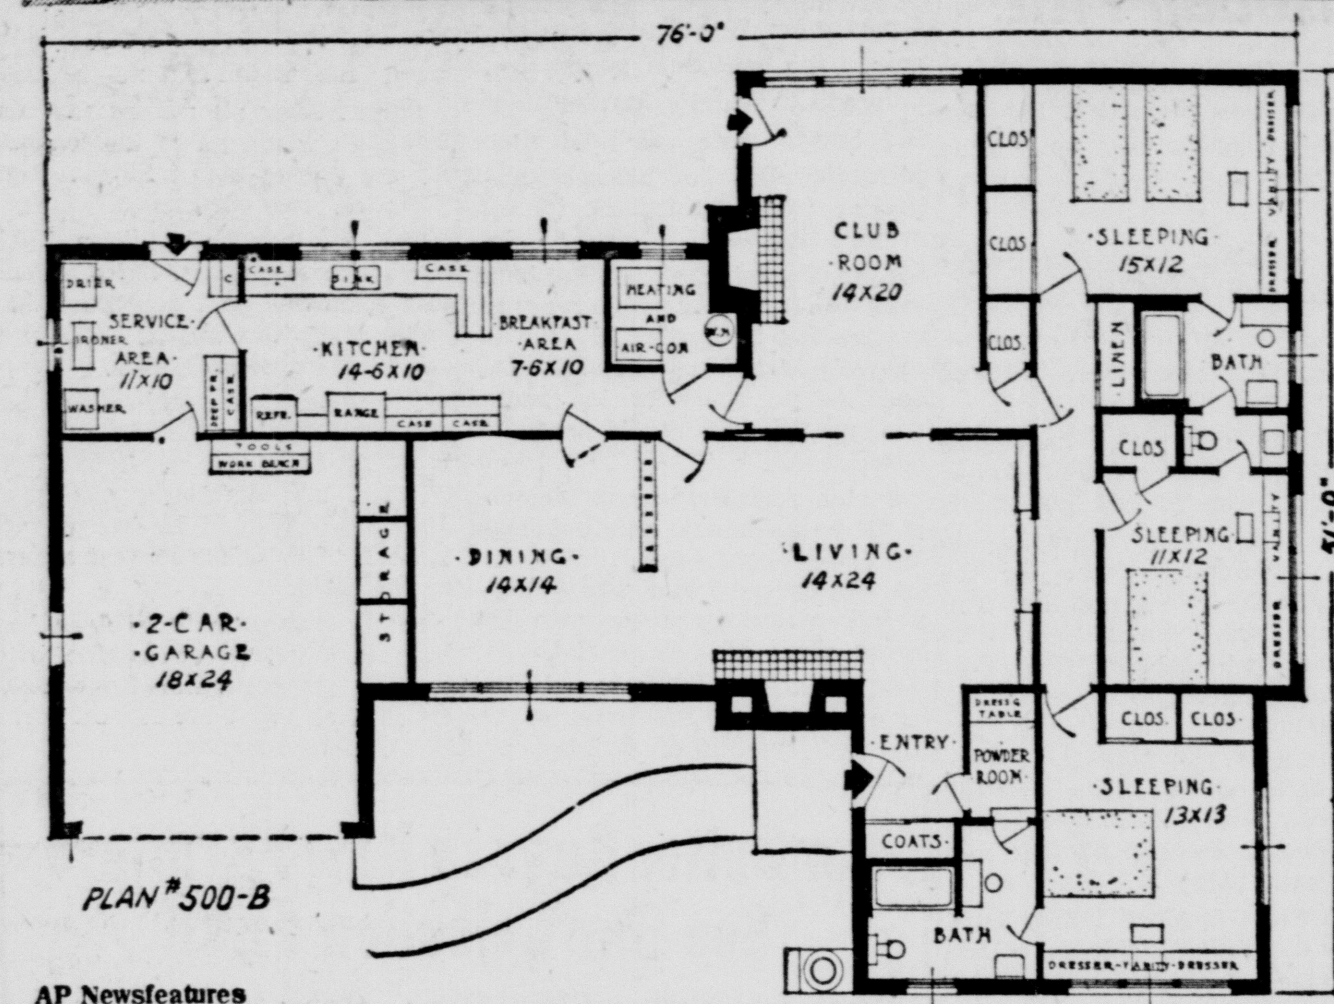

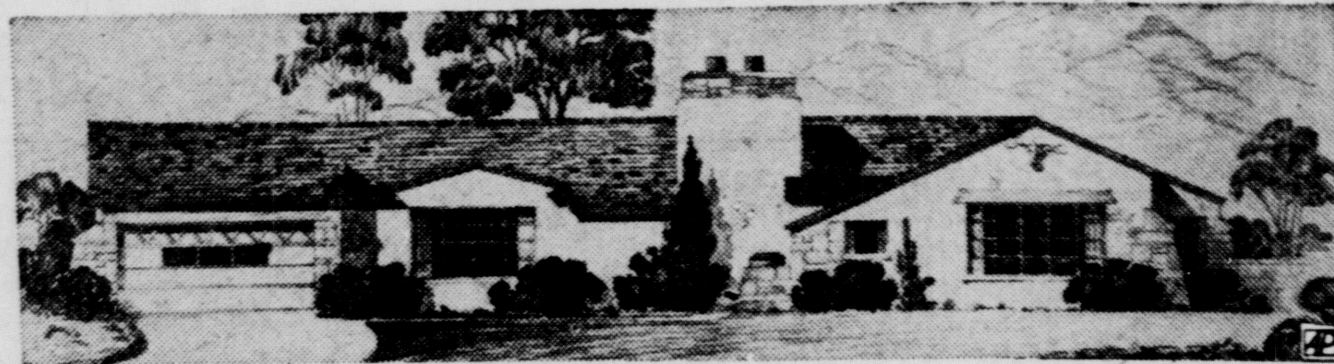

Convector heights, lengths, and depths vary to fulfill both the heat capacity requirements of the system and the space limitations of the rooms. Special long, low models are available, for instance, for use under modern picture windows.

A qualified heating contractor can determine the size and number of units required to properly heat each room of the house while at the same time making certain the convector shapes will blend perfectly with the interiors.

## REROOF IN TIME

The time to get new tires for an automobile is before a blowout. The time to put new roofing material on a house is before the old roof leaks.

American League umpire John Flaherty served with the Marine Corps in the South Pacific during World War II and won a battle field commission.

AP Newsfeatures

**SOUTHWEST RANCH** atmosphere distinguishes this spacious one-story house, which needs no basement with its ample storage facilities, air conditioning room and laundry above ground. A club room with fireplace in addition to large living room with fireplace provides abundant livability. This is Plan 500-B by W. H. Schumacher, architect, Tower Bldg., Oklahoma City, Okla., who suggests a combination stucco and fieldstone facade with colored asphalt shingles on the roof.

## Air Conditioners As Vital In Home As Refrigerators, Food Freezers

Air conditioners are now on their way toward becoming as important in the modern home as refrigerators and food freezers.

More people are buying and installing one-room air conditioners this year than ever before. The combined output of all manufacturers will exceed half-a-million units this year and more than a million homes will be cooled or partly cooled by the end of the summer.

The demand is so great that as early as last April manufacturers were running 40 per cent behind orders.

One reason for this popularity of one-room units is price. While it may cost from \$1,000 to \$3,000 to install a central air conditioning plant to cool an entire house, individual room units can be had from about \$200 for the smallest and simplest types to about \$500 for one-ton, fully equipped models for large rooms.

**TONNAGE CAPACITY** is an important thing to know about an air conditioner. It doesn't mean that a one-ton unit weighs a ton. It means that its refrigerating capacity is equal to the cooling rate that would be obtained by melting one ton of ice in 24 hours.

A lot of other details are misunderstood about air conditioners—so much so that reputable manufacturers are stressing what you cannot do with an air conditioner as much as they are extolling the advantages of the device.

We asked David E. Feinberg, executive of one of the largest manufacturers (United States Air Conditioning Corp. of Minneapolis) about some of these popular misconceptions.

**"YOU CANNOT** simply plug in your air conditioning unit like a lamp or radio," Feinberg said. "To run safely and properly three things are necessary: adequate wiring to handle the electrical load, proper voltage and current for operation (all 1-ton and some 3/4-ton units need 220-volt lines) and correct fusing."

The price of a quality unit averages around \$370. Installation costs vary in different localities, but rarely exceed \$50. The reason installation is required involves not only wiring, but a sealed outlet to the outdoors for warm air exhaust. Room air conditioners do not use water to cool their refrigerants. Air is depended upon.

Most room units are designed for

installation on the sill of a standard double-hung window. There are some special units for casement windows, but in either case the window has to be sealed against outside air after the unit is in place.

Some installations have been made by cutting away the wall beneath a window or preferably high on an outside wall.

**OPERATING COSTS** hinge on local utility rates. The power consumption of each window unit is between 1,250 and 1,500 watts per ton. You can compare this with the cost of operating other devices—or 15 lights of 100 watts each.

Feinberg translates the tonnage capacity (of U. S. Air units) in terms of room sizes as follows:

"Under average conditions a 1-3 ton unit will cool a room up to 10 by 20 feet. A 1/2-ton unit will be adequate for a room from 200 to 300 square feet in area. A 1-ton unit will service a room 300 to 450 square feet. The 1-ton window unit should be selected for rooms of 450 to 600 square feet."

However, this expert warns that because of the many factors other than room size that can influence correct choice, it is wise to consult an air conditioning contractor for the most efficient and economical operation. The use to which a room is put, internal heat load from lights and television, the number of windows, the amount of direct sunlight, even the number of occupants in a room must be figured on.

A unit that is too large can be almost as unsatisfactory as one that is too small.

Aside from cooling, the biggest advantages of air conditioners are that they eliminate as much as 97 per cent of the dust in the air and reduce humidity by some 10 per cent or more. These features appeal to housewives concerned with cleaning bills for drapes and slip covers.

## Follow These Tips When Buying Roses

By HENRY PREE  
Written for NEA Service

Are you going to plant some rose bushes? Keep in mind that the number of roses they will bear is dependent upon the health and strength of the bushes.

A well-known trade magazine offers the following tips to home gardeners on what to look for when buying rose bushes:

**ROOT COLOR.** A live rose bush should be yellow on the inside, never brown. Yellow roots are healthy roots.

**LENGTH OF ROOTS.** Properly developed rose bush roots should be from six to 12 inches long.

**GRADES.** The American Assn. of Nurserymen has a set standard of grades which are generally accepted. No. 1 grade for hybrid tea roses (most popular varieties fall in this category) must have three strong canes, 18 inches or longer.

Since most roses are pruned before shipping, you cannot tell this length but a rapid method of calculation is to make sure to get three or four canes at least one half inch in diameter. No. 1 1/2 grade should have two strong canes plus one other cane.

No. 2 plant should have one strong cane plus one other cane. Pruned climbers should have canes at least 24 inches long.

The rhododendron, the most beautiful of the flowering evergreens, is an easy plant to grow, but is peculiar in many respects and therefore cannot be treated exactly as most other shrubs.

All rhododendrons are characterized by their dislike of hot scorching sunshine and their need for protection against heavy winds. Ideal soil should contain much

fibrous matter, such as peat moss. Heavy soil can be further improved by adding sandy gravel, and in every instance drainage must be good since rhododendrons will not tolerate "wet feet."

Best planting time for rhododendrons varies according to location. However, with care, freshly dug and well balled and burlapped plants may be moved at any time, but only to beds in which the soil has been well prepared.

The hole in which you plant should be at least a foot beyond the limits of the root system and the plant firmly set at the same elevation as in the nursery.

The best earth should be placed about the roots and well watered in planting. For protection against drought it is best to maintain a four or five-inch mulch of dried leaves, or a three-inch mulch of peat moss.

## Quizzing the Gardner

Q—When is the best time to transplant a nursery-grown flowering dogwood?

A—Spring is generally considered the best time for transplanting, although a well-balled and burlapped specimen may be moved in late autumn after the first real frost. The old gardener recommends springtime—when the flower buds are beginning to swell.

Q—Please suggest an easy-to-make potting soil for house plants.

A—There are many and complicated recipes for the ideal potting soil. But the average plant will thrive in a mixture of equal parts good garden loam, builder's sand and peatmoss or compost. To this add a fertilizer strong in phosphorus.

## Need Right Application To Give Roof Long Life

Proper application is necessary to insure that asphalt shingles, the most popular roofing material for homes, will give the long-term satisfaction of which they are capable.

Manufacturer's instruction sheets, which are packaged with

roofing at the factory, tell what proper application is. They explain how to prepare the roof deck, how to carry out preliminary steps such as application of an "eaves finishing strip," how to place the shingles, and how to fasten them securely.

Instruction sheets are based on many years of practical experience well as by the National Bureau of Standards and other research and testing organizations. Manufacturers publish instruction sheets because it is to their own vital interest to have their products give good performance through proper application.

Although home-owners do not do their own roofing application, instruction sheets are of value to them because the sheets serve as a guide by which the owner can

## Police Find, Release Charley The Killer

9 SAN FRANCISCO (AP)—A frightened Los Angeles housewife sent police in California's two largest cities hunting Charley the Killer yesterday.

They found their man in a hotel here—but let him go after he admitted he was a killer.

"A man just phoned. He said, 'I'm Charley the Killer,' and hung up," Ruth Grossman of Los Angeles reported to police there at 4 a.m. yesterday.

The call was traced to the hotel room of Charley Kays of Eureka, Calif., here.

"I was trying to get Ruth Grossman in Beverly Hills and they gave me some other Ruth Grossman," he told Inspector William Stanton. "So I hung up."

"Killer? Oh, yes. In Eureka, everybody calls me 'Charley the Killer.'"

## Your Blond Furniture Can Take Dark Stain

What'll it be — blond or brunette — in furniture, that is. Many homemakers, who adopted the blonde look in furnishings and now find that it does not complement the newer lighter hues in wall papers, papers and paneling are seeking ways out of the decorating predicament without investing more funds.

Actually it is easy to give your blond furniture a darker coat. All you need is elbow grease and a few materials. Walnut and light fruitwood are the popular wood tones today. But mahogany, cherry or any other stain desired may be obtained. Here's how:

Remove the old finish with a wax-free paint remover. Wear rubber gloves. Brush on a heavy coat, let set until the finish is softened down to the bare wood, and scrape off with a paint scraper. This may require several coats of paint remover. Let the paint remover do the work. Scraping should be done only after the finish is thoroughly softened. Then the old finish is swabbed off with heavy rags or burlap. If you must work indoors, open windows and protect your floors with a waterproof covering such as old rubber crib sheets or pieces of scrap linoleum.

WHEN THE SURFACE is dry, sand with fine production sandpaper until scratches and surface imperfections are removed. A rubber sanding block may facilitate sanding, permitting a smooth finish. Finish with fine production sandpaper. Dust off with a cloth moistened in turpentine. Most blond modern furniture is

constructed of birch and other close-grained woods that do not require filling, according to experts. In that case, stain may be applied directly to sanded wood.

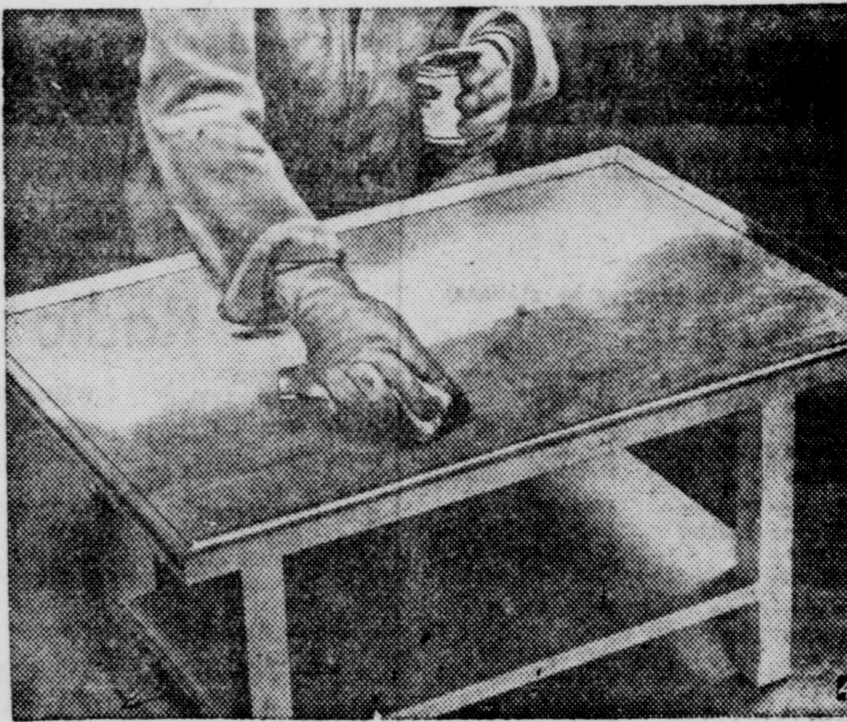

A penetrating sealer-stain, applied with a rag and wiped off with a clean cloth until the desired depth of color is obtained is all that is needed, usually. It takes about 12 hours to dry.

Then an even coat of rubbing varnish may be applied with a clean brush. Wait at least four days. When it is thoroughly dry it will require a wet sanding. This is done by moistening the surface of the furniture with a light oil such as salad oil and sanding with extra-fine black waterproof sandpaper.

Do your sanding with the grain. The oil lubricates the varnish finish, allowing a much more even finish to be obtained. Sand until the surface is perfectly smooth. Clean off with a good furniture cleaner and soft cloths.

THE FINISH should be a dull-gloss, the favored finish for contemporary furniture. A higher gloss may be obtained by following the same procedure but doing an extra sanding with a super-fine waterproof sandpaper and cleaning off with furniture cleaner.

If a still higher gloss is desired, follow that sandpapering with rottenstone and oil. This combination should be mixed to a batter-like consistency, applied on a soft cloth wadded into a ball and rubbed with the grain. Protect these finishes with a coat of paste wax.

AFTER OLD FINISH has been removed with paint remover and you get down to the bare wood with fine sandpaper, a penetrating sealer stain can be applied with a rag.

### IT'S ODORLESS!

No painty smell, no pungent fumes. Paint indoors, even in bad weather when windows can't be open.

## A Sensible Bachelor

By HAL BOYLE

NEW YORK (AP)—Peppi Paunzen, one of the Orient's most celebrated bachelors, is now touring America—and has decided this is the place for any sensible man to spend his life.

Lest any single girl think this is heart-warming news for her, however, let me quote Peppi on the advantages of living here:

"A man has such a wonderful feeling of freedom. The little pies come in cellophane bags. The bread is already sliced. You can get your laundry done by electricity."

"What possible need is there for a man to get married? It is no longer necessary. He already has paradise."

Peppi, a methodical bachelor who requires prospective fiancées to fill out a printed questionnaire, has been overwhelmed by the beauty of American womanhood.

"The girls here are the most chic in the world," he said. "Also the most independent. But I have great curiosity to see one at 7 o'clock in the morning. How do they look without makeup? Has this ever been found out?"

Who is the brash man who seeks to know about the real face behind the great American female facade?

Well, Peppi is a kind of human question mark himself, one of those rare people whom thou and hall as a friend but who spend their lives trying to discover themselves.

Peppi is a career refugee. He fled his native Austria to get away from Hitler. He spent several years in Shanghai as an involuntary guest of the Japanese Army. He was squeezed out of China by the Communists.

For the last four years he has been manager of the Press Club in Hong Kong. There, as a friend wrote, his hospitality, skill at the piano, and sense of humor "endured him to man and beast alike throughout the Orient." The gentle

smile and wryly hopeful outlook of this greying Viennese—his byword is "be happy, like Peppi"—have made him something of a living legend in the Far East, where many a lonesome stranger has been made to feel at home by his kindness.

When he finally left Hong Kong, his friends threw so many farewell parties for him that Peppi says for safety's sake he had to write on his forehead: "This side up—handle with care."

Coming to America, where he wants to be a citizen, has been the big adventure of his life. He was held back for years by the small Austria quota.

"I was told I could get in quicker if I married an American girl first," he said, "but the feeling of real freedom was what I wanted—and how can a man ever reach a land of freedom, if he gives up the freedom before he gets there?"

"It is odd about the United States. Everybody seems to like it except the Americans who are away from it."

"In Hong Kong the Americans I met said, 'better don't go, Peppi, stay here.' But I like it over here much better, even though I went to Times Square and did not find it square."

"Now I would like to travel about this country and write a column explaining America to the Americans."

Peppi has spent so much of his life filling out government forms that he has invented his own bachelor questionnaire—form Z330—for prospective fiancées.

"Marriages always have something to do with governments," he said, "so why not engagements?"

His questionnaire contains such queries as: By the way, do you like your own form, if any? Do you talk too much? If yes, why not? Do you eat crackers in bed? Toast? Popcorn? Do you giggle? Do you snore? What other musical accomplishments have you? What hours are you free? What games do you play?

Life itself has been a rough game

DORIS DAY, PHIL SILVERS, Eddie Foy, Jr., and Nancy Walker are shown in a scene from Warner Bros. CinemaScope musical in color by WarnerColor, "Lucky Me," now showing at the State Theater.

that Peppi always plays with a steady, wistful cheerfulness.

"Sometimes I think I should get married," he said, "because it's true I am too happy."

"The trouble with most girls is they don't realize the importance of food to a man. They try to break his heart instead of trying to break in his stomach to a better way of life."

"Good husbands always come home to good cooks."

## Berlin Center

The first meeting of the Berlin Sunshine Workers was held at the home of Marguerite Vickers. Officers were elected as follows: President, Lucille Oeach, vice president, Darlene Engle, treasurer, Joyce Harmon, secretary, Linda Hilles; reporter, Marguerite Vickers; recreation, Betty Engle.

Leaders are Mrs. Dorothy Vickers and Evelyn Lipplitt. The next meeting will be at the home of Nancy Coffey Tuesday at 7:30 p.m.

Speaker for baccalaureate services Sunday evening was Allen Snyder of the Methodist Church of

Questions, Answers

Q — Why is the term "Davy Jones' locker" used to mean the grave of those who die at sea?  
A — Davy Jones is a term for the evil spirit of the sea. The exact origin of the name is not certain but it is generally believed to be a corruption of "Duppy Jonah" meaning "Jonah's ghost."  
Q — Were all the principal nations of the world formerly on a single gold standard?  
A — Yes, during the 19th century.

## Actor's Daughter Weds

SANTA BARBARA, Calif. (AP) — The daughter of actor J. Carroll Naish, Carol Elaine, 23, and Jack Rockwell Sheridan, 27, a Los Angeles builder, start a honeymoon trip to Honolulu today.

They were married here yesterday.

ELUDE POLICE CHASE

CLEVELAND (AP) — Police chased a young man yesterday who drove a stolen 1953 Cadillac which struck six cars and hit a tree before he fled on foot and escaped. Officers said they believed the youth, described as 18 to 20, had been injured in the chase.

## Questions, Answers On Social Security

The following are typical questions and answers to social security problems, furnished by Social Security Field Representatives Robert P. King and John Welker at the Salem Post-office.

Q. I own and operate a retail grocery store. My wife and 19-year-old son are employed by me on a part-time basis. Am I required to report their wages and pay the Social Security tax?

A. An employers' liability and 21 spouse or parent should not be reported for Social Security tax purposes. However, after the child reaches his 21st birthday, he is considered an employee and his wages should then be reported by the parent and the Social Security tax paid.

Q. I am over 65 years of age and

have earned 4 quarters of coverage under social security. I have been told that this is insufficient to receive Social Security benefits. Must quarters of coverage toward becoming insured be earned before I am 65?

A. No. If you do not have enough quarters of coverage when you reach 65 to be fully insured, you may earn the additional quarters you need in covered employment or self-employment after age 65.

Q. I have been told that I will need 19 quarters of coverage to be eligible for monthly benefits when I reach age 65. Must all of these quarters be earned in continuous employment under Social Security?

A. No. You will be given credit for any quarters of coverage which you have earned since January 1, 1937 when the Social Security law went into effect. It is not necessary that you work 19 consecutive quarters to become fully insured.

Q. If a person earned more than \$3,600 from two employers, can he get a refund on his overpayment?

A. Yes. He can get a refund on

all Social Security taxes deducted on wages over and above \$3,600. This will ordinarily be in the form of a credit on your income tax for that year. For complete information regarding information on refunds, contact the Director of Internal Revenue.

Q. My husband and I have adopted a five-year-old child. My husband will be 65 and expects to retire in two years. Will he be entitled to receive monthly benefit payments for our adopted child?

A. The Social Security law provides that an adoption must be in effect for three years before the wage earner can receive monthly payments for the child. However, in the event the adopting parent should die, the child would be eligible for monthly benefit payments regardless of the amount of time that had elapsed since the adoption became final.

## PATROLMAN DIES ON DUTY

CLEVELAND (AP) — Patrolman Ralph E. Dyke, 39, collapsed and died yesterday while on duty. Other policemen said Dyke, who had

been on the force since 1948, had complained of indigestion for several days. The coroner will rule on the cause of death.
